They fooled us. This set of drinking glasses look so much like real crystal, your guests will think you've lost your mind when they see them by the pool. Because they're shatter-proof, they even cool for the kids' table. Victoria and Albert Bicchieri stemware and Napoleone candleholder by Marioluca Giusti, \$16 to \$20 (stemware), \$58 (candleholder) at Hazelnut, 5515 Magazine St., 504.891.2424
